**MONTEREY COUNTY WORKFORCE DEVELOPMENT  
BOARD IS RELOCATING**

***Business Services to remain intact***

**Monday, August 22, 2016, Salinas, CA** – Change is in the air. Effective August 29, 2016 the Monterey County Workforce Development Board and staff is moving from America’s Job Center to the Monterey County Government Center located at 168 West Alisal Street in Salinas, according to WDB Executive Director, Joyce Aldrich.

“We want our business community to know that our Business Services team including Lead Business Services Specialist, Korey Woo and Business Services Specialist, Laura Kershner will still be offering the same high level of service and help with employer recruitments, career fairs, Rapid Response, business contract negotiation, job development, placing job orders, WorkKeys Assessments and requests for labor market information. They will continue to serve as liaisons between the business community and job-seekers through the Workforce Innovation and Opportunity Act and Workforce Development Board.”

While this interim move precipitates a move to the new county government facility on Schilling Place in Salinas next spring; local employers can still reach the Business Services Unit at (831) 796-3366 or by email at: [BSR-Team@co.monterey.ca.us](mailto:BSR-Team@co.monterey.ca.us)
